Dear Mr. Jones:

Pursuant to our telephone conversation of September 16, 1985 enclosed please find a copy of a July 3, 1985 file memo discussing revegetation success for a number of Utah International operations in the Cedar City, Utah environment. I note that you were copied on the original of this, evidently delivery of this was not successful. Upon receipt of this copy and review by yourself, I would encourage you to discuss seed mixes and methods of applications with Mr. Lynn Kunzler of this office. Please advise if additional information is required.

Sincerely,
